

## Application for altona Canada Medical Student Research Award - 2024

### IN ORDER TO BE ELIGIBLE, you:

- must be enrolled in an undergraduate medical program in a Canadian University and must be in good standing
- must be in a research area relevant to the diagnosis, treatment or prevention of infectious diseases
- must be available to work for the 10-12 week period (exact dates to be determined by supervisor)
- must submit a summary report to altona within 4 weeks of the termination of the program

### Complete & email this form with all required documents as a single PDF file to:

CFID Awards Committee at [cfid@researchid.com](mailto:cfid@researchid.com) no later than January 12, 2024. Ajudication is by a selection committee and will be competitive based on academic achievement, research potential or experience and mentor acceptance.

Please include:

1) Curriculum vitae 2) Official transcripts for years to date in medical school 3) 1-2 page research proposal; and 4) a letter of support from the prospective supervisor confirming agreement to the research project and expected outcomes.
