CFID Safe Drinking Water Pilot Project Grant 2026

The CFID Safe Drinking Water Pilot Project Grant was established for the promotion of studies investigating one of Canada's most valuable resources, water. Notably, one in eight people around the world do not have access to safe drinking water leading to significant global morbidity and mortality. This grant was created as seed funding to promote research in this field. One grant of \$10,000 will be conferred.

Applicants Must:

- Currently hold a Faculty position at a Canadian Post-Secondary Institution; and
- Submit a summary of research achievements by one year after receipt of the grant.

Preference will be given to members of AMMI Canada

Applications with supporting documentation should be sent by e-mail as a **single** PDF document to the CFID Awards Committee at cfid@researchid.com and must be received no later than January 30, 2026.

Submissions will be reviewed by the CFID Awards Committee and the winner will be announced March 6, 2026. The grant will be presented at the 2024 AMMI Canada – CACMID Annual Conference April 28-May 1, 2026.

If you have questions, please contact the CFID Awards Committee, at cfid@researchid.com

Applications must include:

- ☐ The principal investigator's academic position, institution, professional address, phone, and e-mail address;
- ☐ The project proposal (maximum of 5 pages, 12pt font and 1" margins) including:
 - Background / Rationale;
 - Hypothesis;
 - Research Plan / Methods; and
 - Significance/Impact/Relevance;
- ☐ A budget (as this is an operating grant, funds cannot be used to pay stipends or salaries);
- ☐ Curriculum vitae of principal/co-investigators (maximum 3 pages); and
- ☐ Appendices (optional):
 - Relevant manuscripts (3 maximum); Timeline: To be completed within 1 year; and letters of support (3 maximum).
